Set it up.

Article 2 Students with the following identities can apply for credit credit for physical education: transfer students from bachelor classes, re-examination or re-apply

Please enter the undergraduate freshmen.

Article 3 The principle of credit credit for physical education: the name of the physical education course indicated on the transcript is the same as the name of the school's course

(near) persons, this credit method applies.

Article 4

1. The rules for transferring students to apply for sports credit are as follows:

(1) Those who transfer to the second grade and complete the physical education course of the second semester can be credited for the physical education course of the freshman;

Those who have completed the second semester of physical education courses must take freshman physical education courses to make up for the missing courses;

Those who are exempted from physical education courses in the previous semester must make up the physical education courses in the next semester, which will only be credited to the physical education courses in the next semester

Applicants must make up the physical education courses of the previous semester (credited for the freshman physical education of the previous semester or the next semester, based on the original

In principle, the school has taken physical education courses in the first or second semester of the first grade).

(2) Those who transfer to the third grade and complete the four-semester physical education course can be credited for the physical education course of the freshman and sophomore

Those who have not completed four semesters of physical education courses must take special physical education courses to make up for the missing courses number.

(3) Students who drop out of the school and re-enter the school after the transfer examination, all the physical education courses that have been completed are eligible credit.

2. Re-examination or re-apply for admission to undergraduate freshmen apply for sports credit regulations as follows: Graduate School

Students or graduates of colleges and technical colleges, and graduates of technical schools are entitled to credit for freshman sports.

3. For students who have been approved to upgrade their grades, their physical education prior to their new grades will be exempted.

Article 5 Matters not covered in this regulation shall be discussed and determined by the teaching group of the physical education room at a meeting.

Article 6 This method is approved by the Academic Affairs Conference and reported to the principal for promulgation and implementation. The same is true for amendments.
